RHINESTONE FLOCK

A self-adhesive, velvety material used for rhinestone templates.
*Please note: Rhinestones sold separately.

Coral Pink
RHST-FLK

Sizing Available
Available Widths (in.): 12" only
Available Lengths (ft.): 3', 15', 30', 75', and 150'
Sheet Availability: 12" x 15"

Thickness
18 mils/450 microns
(without liner)

Special Precautions
* Not recommended for washing. Not suitable for heat transfer. This product contains a thin layer of PVC, therefore it cannot be cut on a laser.

60° Blade Recommended - Cut like other Flock material, but be careful not to cut through the backing paper

R Cut this material in "right-reading"

PEEL Peel the corner of the flock, leaving the dots behind on the paper backing

BACK BOARD Place the template on a backboard or other hard surface to fill in with your rhinestones

Use KTM-500 transfer mask, peel up the rhinestone decal, and heat press it to the garment using your rhinestone specifications

Specialty Materials™

Test on dazzle cloth and other moisture-wicking polyesters. Moisture-wicking materials have better adhesion when washed and dried using no fabric softener or blotted with rubbing alcohol before pressing. Be advised that dye migration has occurred with low energy dyes in polyester and poly-blend fabrics. All technical information and recommendations are based on tests we believe to be reliable. However, we cannot guarantee performance for conditions not under manufacturer's control. Before using, please determine the suitability of product for its intended use. The user assumes all risk and liability, whatsoever, in connection with the use of this product. Seller's and manufacturer's only obligation shall be to replace such quantity of the product proved to be defective by manufacturer.
